A12 noise reduction measures needed NOW!

To: The Highways Agency, 123 Buckingham Palace Road, London SW1W 9HA

We, the undersigned, call upon the Highways Agency to implement a noise reduction solution along the section of the A12 that runs parallel to Selwood Road and continues to Wigley Bush Lane.

Residents have had enough of living with the very high levels of increased traffic noise and pollution which has worsened since the road was raised.

The increase in noise has had a serious impact on the well being of residents and the quality of life that they are entitled to as neighbours to the A12.

URGENT action needs to be taken NOW.

When complete, please return (before December 17, 2013) to:
